PURPOSE: The dress code at All Saints Catholic School is to help provide a safe learning environment that emphasizes the dignity of each student as well as developing pride in the school and oneself. Uniforms allow students to focus on academics rather than dress. Students are reminded that whenever they are wearing their school uniform, they are representing All Saints. The school's dress code also serves to develop healthy attitudes regarding Christian modesty. Uniform supervision is first and foremost the responsibility of the parents/guardians. The administration and faculty will monitor student compliance with the dress code. The administration reserves the right to determine the appropriateness of a student’s general appearance and compliance with the code.
