In addition, Denise spoke about the partnership with the Health Department and other decisions made on school activities as we navigate through the first positive cases.
- Discussion around the Auction and when we should hold the auction. There has been a lot of work and effort put into the auction and if we are going to hold it, it needs to be sooner rather than later. The board agreed that October 30, 2020 was a good date to consider. Denise and Julie will follow up with seeing if vendors were available that date.
- We have secured 700 trees for the Christmas Tree Sale
- We will be changing the board meetings to be at 6:15 going forward.

Closing prayer was led by Audrey at 7:00 PM.
