Alumni News

ASCS alumni Dustin McLean and Mattie Hagestad are co-valedictorians of Lewiston High School, and Grant Gehring is co-valedictorian for Prairie High School.

Courtney Klappenbach was accepted into the WSU STARS program. This program gives select students a chance to accelerate the learning process so they can earn a Ph.D. in as little as seven years after leaving high school. STARS is the fast-track to professional life in the biosciences.

It's Registration Time

As parents, you are the best spokespeople for our school. Please help us increase our enrollment for next year! Currently we have 144 students enrolled PK—6th grade. Our goal is to increase enrollment 3% to total at least 149 students. **ASCS is offering an incentive to all of our current All Saints' families now through August 25th.** If you bring a new family to our school and they enroll their child(ren), you will receive a **5% discount on your tuition for next year.** If you bring in two new families, you will receive a 10% discount on your tuition and so on. With your help, I know we will meet or exceed this goal! The discount will be applied in January of 2018.

6th Grade Perfect Attendance

Rogers Toyota Scion recognized Michael Wren and Zander Johnson for perfect attendance. They were each awarded a bicycle and a helmet. Congratulations!

A very special thank you goes out to all of our school families for sharing your children with us and giving us the opportunity to help build God's kingdom one child at a time. God bless you and have a wonderful summer.
