- We would like to send out a Huge Thank You to Sutton Salvage for all their hard work to help make Earth Week a great success for our school. ASCS collected 304 lbs, roughly 7,300 cans!!! WOW! Great job to all of the families who participated to make this a great success. We would also like to recognize and thank Bob Schmidt and Alyse Cadez for helping with recycled cans this school year!
- GA will be sending out more information next week on board positions/duties and needs. We encourage anyone who would like to continue to help make GA a success to put their name in and give it a go for this wonderful organization. - GA Board Elections will be held on Thursday, May 29th at 6:00 pm in the cafeteria. If you are thinking of applying for a board position, you must be present to be voted in and confirmed for the 2025-2026 School year.

Dear School Families,

As we begin planning for the 2025–2026 school year, we want to share a few upcoming staff changes and express our gratitude to those who will be moving on.

Jaci Wotring has served as a classroom aide and helped supervise noon recess for the past two years. We are so grateful for her support and dedication to our students and staff—she will be truly missed.

Tami Truby will be retiring at the end of this school year. For nearly four and a half years, she has faithfully served in our kitchen, helping to prepare delicious meals for our students. Her kindness and consistency have been a blessing to our community, and we will miss her dearly.

Carrie Boulton has worn many hats over the past seven years, including classroom aide, Spanish teacher, and middle school electives instructor for courses such as theatre and Japanese culture. Her flexibility and willingness to step in wherever needed have made a meaningful impact on our school.

Stogy will also be retiring at the end of this school year. Over the past 24 years, he has been an instrumental part of our school community, serving in countless roles—PE teacher, technology coordinator, librarian, coach, athletic director, and 8th grade teacher. His contributions have left a lasting legacy, and we will certainly miss his presence here at All Saints.

Please join us in thanking these incredible staff members for their many contributions to our school. We are so grateful for the time, energy, and heart they have shared with our students and community, and for the faithful example they have shown in living out our mission.

God bless,
Mrs. Hammrich
