Safe Environment Workshop

Mr. Seubert will host a Safe Environment Workshop on **Monday, January 26, at 6:30 PM** in the school Science Lab. Please be sure to **pre-register** at [VirtusOnline.org](https://www.virtusonline.org).

This will be the final in-person training session of the school year. Anyone who has not yet completed in-person training and wishes to volunteer in classrooms or on field trips this year is encouraged to attend.

For those who have completed Safe Environment Training in past years, you will receive a reminder email directly from Virtus and Mr. Seubert when it is time to renew your training online. If you have any questions, please contact Mr. Seubert at aseubert@ascs-pk6.org.

As we prayerfully look ahead to the 2026-2027 school year, we invite qualified and interested candidates to view the Principal position posting, which is now available on both our school and Diocesan websites.
