## All Saints Church Lent Project

All Saints will be hosting their annual Lenten Project gift card drive. This year's charities are the LC Valley Youth Resource Center, Homes of Hope, Reliance Center House, and Union Gospel Mission.

Take a tag from a basket in the church lobby, purchase the gift card, and return the tag and gift card to the box at the foot of the cross, to the office, or in an envelope in the collection. Each charity will have a different color tag.

- **LC Valley Youth Resource Center** Serves youth ages 12-17 who are experiencing homelessness, abuse, & other crisis situations
- **Homes of Hope** Provides resources and scholarships for families, youth & children impacted by foster care.
- **Reliance Center House** Maternity home for moms and pregnant women that offers a safe haven from abuse, dysfunctional relationships, and homelessness, empowering women to consider their options and take courageous steps forward, such as completing education, job training opportunities, or charting a path toward a purposeful life for mom and baby.
- **Union Gospel Mission** Provides food, shelter, and individualized pathways out of homelessness to those in need in Eastern WA & North ID. Services include addiction and trauma recovery, legal and financial services, jobs and job-training, one-on-one counseling, and more.

## From Our Guardian Angels

Guardian Angels (GA) is looking for two volunteers to take over the Spirit Shirt Committee for the next school year.

To ensure a smooth transition, new committee members would meet with the current team this March. The process itself is very straightforward and creative:

- Work with our middle school design team, who develop the shirt design and select the colors.
- Share the finalized design with our printer.
- Promote Spirit Shirts through school newsletters and flyers.
- Attend a couple of school events to hand out flyers and answer questions.
- Periodically check in at GA meetings to provide brief updates on sales and design progress.

Depending on your level of involvement, this role can provide approximately 20-30 hours toward your volunteer time. Best of all, it's a joyful project that brings excitement to our students and community each year when new designs are revealed!
