### Catholic Quiz Corner

The difference between a cross and a crucifix is that

- (a.) a cross is always shaped like a capital "T"
- (b.) a crucifix always has an image of Jesus' body on it
- (c.) a crucifix is always made of wood
- (d.) a crucifix is always made of a precious metal

(b) a crucifix is a cross that has an image of Christ's body. This image is either of the suffering Savior or the risen Lord. The powerful symbol of the crucifix inspires us to remember the passion, death, and Resurrection of Jesus.
